SERVICES & PRICING

Brands, websites, apps and automation for founders and growing businesses. Every project gets a written proposal and a fixed quote before work starts.

	SERVICE	TIMELINE	STARTING AT
01	**UI/UX REFRESH** Audit of your current app or site, redesigned key screens, and a clean handoff to your developer.	1–2 weeks	From $900
02	**AUTOMATION SPRINT** One workflow automated end to end, connecting up to 3 of your tools.	1–2 weeks	From $1,500
03	**BRAND & LAUNCH SPRINT** Brand identity and a launched website of up to 5 pages.	3–4 weeks	From $2,500
04	**PACKAGE DESIGN** Bags, labels and boxes designed to your brand and ready for the printer. +$500 for each additional flavor or size	2–3 weeks	From $1,200
05	**APP & PORTAL SPRINT** A working first version of an app, client portal or dashboard: one core user journey, real data, one key integration.	4–6 weeks	From $3,500
06	**WEB DESIGN** A site that explains what you do and turns visitors into inquiries: designed, written and launched. Landing page $1,000 (1–2 weeks) · Up to 5 pages $1,800 (2–3 weeks) · +$250 per blog article we write and publish	1–3 weeks	$1,000 / $1,800
07	**DISCOVERY** Requirements, a flow map and a fixed quote before anything is built.	1 week	Free
08	**CARE PLAN** Ongoing updates and upkeep after launch.	Ongoing	From $300/mo

Prices are starting points; your quote depends on scope. Projects begin once the proposal is signed and the deposit is in.
